Dear Ms. Dixon,

**Subject: Jerry William Biggs Jr. 218987**

I apologize in my delay in getting back with you. I wanted to be able to provide you with some proof to my father's innocence to the charges in which he has been convicted. I have taken and passed a polygraph to prove the fact that my father did not molest me. I am providing you with an affidavit to back up the fact that I lied in court. I have written numerous letters and emails stating that my father never committed any crime against me or anyone else that I am aware of. I have admitted to perjury. I fully understand and I am prepared to face whatever consequences I must for my actions as a child. At the time, when I was young, I felt I had no other choice except to do what I did and now, as a man, I feel I have no other choice but to correct the wrong I have caused. I fully expect to be charged with the crime of perjury in which I admit that I committed. Please contact me in regards to what I must do in order to correct this terrible crime that has been committed against my father.

Respectfully,
